

GOVERNMENT OF INDIA
MINISTRY OF CIVIL AVIATION
RAJYA SABHA
UNSTARRED QUESTION NO : 807
(TO BE ANSWERED ON THE 25th July 2018)

CONSTRUCTION OF NEW DOMESTIC AIRPORT IN JHARKHAND

807. SHRI DHIRAJ PRASAD SAHU

Will the Minister of CIVIL AVIATION be pleased to state:-

- (a): whether Government has prepared any plan to construct some new domestic airports across the country especially in Jharkhand;
- (b): if so, the details thereof including the amount earmarked therefor and the steps being taken/proposed to be taken thereon for the early starting of those airports, State-wise; and
- (c): the details of the airports which are proposed to be expanded, renovated and upgraded to the international standard across the country along with the present status thereof, State-wise particularly in Jharkhand ?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF CIVIL AVIATION

(Shri Jayant Sinha)

(a) & (b): Government of India, Ministry of Civil Aviation has granted in principle approval for setting up of Greenfield Airports across the country namely Mopa in Goa, Navi Mumbai, and Shirdi in Maharashtra, Kushinagar and Noida in Uttar Pradesh, Dholera and Hirasar in Gujarat, Kannur in Kerala and Bhogapuram in Andhra Pradesh as International Airports and Sindhudurg in Maharashtra, Bijapur, Gulbarga, Hassan and Shimoga in Karnataka, Durgapur in West Bengal, Datia in Gwalior, Pakyong in Sikkim, Karaikal in Puducherry and Dagadarthi and Oravakal in Andhra Pradesh as Domestic Airport. Besides this, Ministry of Civil Aviation has envisaged a scheme for Regional Connectivity in the National Civil Aviation Policy, 2016. This scheme is to be implemented by way of revival of un-served or under-served airports/routes, through budgetary support from the Govt. of India. It is planned to revive airstrips/airports at a total estimated cost of Rs.4500 crores. However, the development of airports/airstrips is to be undertaken only in those States where the State Govt. agrees to provide requisite concessions and there is a firm commitment from airlines to fly from/to such airports.

(c): The details of airports which are proposed to be expanded, renovated and upgraded to the international standard across the country along with their status is at Annexure I. A MoU has been signed between State Government of Jharkhand, Ministry of Civil Aviation and Airports Authority of India in August 2016 for implementation of Regional Connectivity Scheme. After the first two rounds, the bids are received for flight operation from Jamshedpur, Bokaro and Dumka airports. Accordingly, the routes has been allotted to respective airlines. Presently, Deoghar Airport in Jharkhand has been taken up for various infra works and runway works were awarded in December 2017.

PROPOSED MAJOR INFRASTRUCTURE DEVELOPMENT WORKS IN AAI AIRPORTS

Annexure- **I**
